Amplius

Tell us what you think of Voice

A Voice survey – full results

What was the main reason you joined Voice?

n. 96

Do you have any suggestions on how Voice could be improved?

Better feedback and reporting on outcomes.

Feed back on comments.

To let the voice members suggest the subject we discuss.

A rolling poll on what residents need/want to make life better.

We need feedback on the surveys that we complete. Personally, I feel that my comments and views make no impact whatsoever and this is only box ticking exercise on your behalf.

More surveys about where I live.

Transparency is a must.

..make it more local depending on the area you live - make it specific to areas?

If someone was thinking of joining Voice, what would you say to encourage them?

If you want to know what's happening or what could happen, join.

Have your say and voice your opinions.

If they are an Amplius tenant, you should join Voice to keep informed.

If you want your opinions to be heard, this is the correct platform.

If you want to have your say in where you live and want to know what is happening where you live, then this platform is the place in which to do so.

Do get involved. It gives you a voice on tenancy matters. Allows critical views.

Surveys are quick and easy and there is a chance to win prizes.
